

Name: _____

Imagine you have four members in your family, and you have a problem. One adult family member cooks dinner every night and is sick and tired of it! Your adult has decided that he or she will only cook dinner three nights per week. But who is going to cook the other four nights? You and your adult come up with a solution: The rest of the family will take turns cooking dinner the remaining four nights. But hey—there are only three remaining members of your family to cook for four nights. What are you going to do? You need a plan!

With your adult, make a three-step plan for how this imaginary family will take turns cooking the remaining four nights per week. Be sure to use the Checklist for Making a Plan below.
